

PACKING SLIP GUIDE – Saks OFF 5TH

Introduction

Packing slips can be downloaded from the platform. If you prefer to create your own packing slips, this document provides instructions for replicating packing slips for Saks OFF 5TH. Please match the packing slip design requirements as closely as possible.

Once you have created your packing slips, please submit samples to Saks OFF 5TH for approval. Your packing slips must be approved by Saks OFF 5TH before you can use them.

Note: Multiple shipments are allowed per order. The quantity printed on the packing slip must be modified to reflect the items and quantity shipped by using the **Edit Packing Slips Qty** option on the order detail screen in the platform.

If you have any questions, contact Saks OFF 5TH directly or contact Rithum Software Support at support@dsko.io.

Packing Slip Specifications

The table in this section contains the packing slip specifications. Elements are identified as either *fixed* (F) or *variable* (V). Fixed elements are elements that remain the same regardless of any data received, i.e., static text. Variable elements contain changeable data as received from the order. The following packing slip sample includes location references to identify which sections of the sample are being addressed.
