

# PACKING SLIP GUIDE — Jedora

### Introduction

Packing slips can be downloaded from the platform. If you prefer to create your own packing slips, this document provides instructions for replicating packing slips for Jedora. Please match the packing slip design requirements as closely as possible.

Once you have created your packing slips, please submit samples to Brad Waller (CommerceHubSupport@jedora.com) at Jedora for approval. Your packing slips must be approved by Jedora before you can use them

If you have any questions, contact Jedora directly or <u>contact Rithum Software Support</u>.

## **Packing Slip Specifications**

The table in this section contains the packing slip specifications. Elements are identified as either *fixed* (F) or *variable* (V). Fixed elements are elements that remain the same regardless of any data received, i.e., static text. Variable elements contain changeable data as received from the order. The following packing slip sample includes location references to identify which sections of the sample are being addressed.
