

PACKING SLIP GUIDE – Country Home Products

Introduction

Packing slips can be downloaded from the platform. If you prefer to create your own packing slips, this document provides instructions for replicating packing slips for Country Home Products. Please match the packing slip design requirements as closely as possible.

Once you have created your packing slips, please submit samples to Country Home Products for approval. Your packing slips must be approved by Country Home Products before you can use them.

If you have any questions, contact Country Home Products directly or contact Rithum Software Support at support@dsko.io.

Packing Slip Specifications

The table in this section contains the packing slip specifications. Elements are identified as either *fixed* (F) or *variable* (V). Fixed elements are elements that remain the same regardless of any data received, i.e., static text. Variable elements contain changeable data as received from the order. The following packing slip sample includes location references to identify which sections of the sample are being addressed.

The image shows a sample packing slip with three purple boxes highlighting specific sections: 'Logo Section' at the top center, 'Order Header Section' in the middle, and 'Order Merchandise Table' at the bottom.

Logo Section: Contains logos for GENERAC, DR, COUNTRY HOME PRODUCTS, and POWERMATE, along with the text 'Packing Slip/Invoice'.

Order Header Section: Contains the following text:
